

IPSC Classic Division Supplementary Guidelines

In an effort to clarify the current provisional rules for Classic Division, to eliminate uncertainty and to promote consistency, as much as possible, kindly note that the items listed below are acceptable:

1. Bull Barrels / Coned Barrels;
2. Shaped Slides (e.g. Flat-Top, Tri-Top and similar);
3. Squared and/or undercut trigger guards;
4. Bob-tailed backstraps
5. Finger grooves, machined and/or add-on (including wrap-around grips, inserts etc.)
6. Thumb shields, provided they do not also serve as a thumb rest

Additionally, the following images illustrate measurement protocols:
